<https://txdot.webex.com/txdot/j.php?MTID=m62fbee587d39ab3c0174544fff5184f8>

AGENDA

- 1) Welcome and Open Meeting
- 2) Minutes from the February 4, 2020 Technical Advisory Committee Meeting
-Consider adoption - Action Required. (See attachment.)
- 3) Minutes from the April 6, 2020 Technical Advisory Committee Meeting
-Consider adoption - Action Required. (See attachment.)
- 4) Draft FY 2021 – 2024 Transportation Improvement Program Amendment
-The Transportation Improvement Program is produced semi-annually and is list of all transportation projects to be constructed or under construction over the next four years. Ungrouped projects are broken into two categories. The first is Highway/Active Transportation Projects that are determined by the MPO or awarded to the MPO and/or one of the jurisdictions it represents. The second are Transit Projects that are selected by the local designated recipient (Brazos Transit District) and approved by the MPO through adoption of this TIP. Grouped Projects are those that will be constructed or under construction during the four-year period but are selected by TxDOT and approved by the MPO through adoption of this TIP. Staff is requesting that the TAC review the draft TIP and recommend the document to the Policy Board for adoption and direct staff to begin the 30-day public comment period. Action Required. (See attachment.)
- 5) Adjourn – No later than 1:30.

WORKSHOP AGENDA

- Technical review and comment on TxDOT SH 6 (Earl Rudder Freeway) design schematics (joint review with the Active Transportation Advisory Panel) to allow for incorporation of committee member comments prior to public comment period.
